Primary PE and Sport Premium Funding Report 2015-16

In March 2013 the government announced that it was to provide additional funding of £150 million per annum for academic years 2013-14 and 2014-15 to improve provision of physical education (PE) and sport in primary schools in England.

This funding is allocated to primary school Headteachers and is ring-fenced and therefore can only be spent on improving the provision of PE and sport, but they have the freedom to choose how they do this.

In the Autumn Statement 2013, the Chancellor announced an additional year's £150m extended funding, taking the total investment to the end of the 2016 academic year.

On 6th February 2014 the Prime Minister committed to continue the funding for the Primary PE & Sport Premium until 2020.

Vision (revised 25 January 2015)

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

Evaluating the use of the Primary PE and Sport Premium funding

Ofsted Inspectors will consider the impact of the Primary PE and Sport funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:

- the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- the increase and success in competitive school sports
- how much more inclusive the physical education curriculum has become
- the growth in the range of provisional and alternative sporting activities
- the improvement in partnership work on physical education with other schools and other local partners
- links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- the greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.

PE and Sport premium allocation for 2015/16 – £8,895

During the academic year 2015/16 we chose to use our PE and Sport Premium Funding to employ a sports coach from Full Circle Sports to work alongside teachers to develop their knowledge and confidence to deliver high quality PE lessons across the school. We feel that this approach will have a sustained impact on PE teaching beyond the period of the funding. Our sports coach has developed a balanced curriculum of PE and provided medium term plans for all year groups. She has organised competitions with our local partner schools and our OPEN academy trust schools, and taken on the role of PE coordinator within the school.

Impact:

- Improved standards in the delivery of PE
- More confident and competent teachers
- Increased pupil participation
- A resource library of medium term plans and session plans for teachers
- A more inclusive curriculum
- Links with other curriculum areas made e.g. in dance
- Increased capacity and sustainability in the delivery of PE
- Improved provision of and participation in extra-curricular activities, including links with local clubs
- Increased participation and success of school teams in competitions with other schools, in a wide variety of sports
- Improved awareness amongst pupils of the dangers that undermine health

Wallingford Partnership/OPEN PE Competitions organised by St John's Primary School:

- Year 5/6 Mixed Hockey Competition
- Year 5/6 Netball Tournament (OPEN)

How much more inclusive the physical education curriculum has become:

A method of assessing pupil ability in PE has been rolled out as a Year 6 trial, which has involved each child having a PE journal to self reflect about their lifestyle.

The journal focuses on 4 key areas for the pupils to think about -

- Physical Me
- Thinking Me
- Healthy Me
- Social Me

Each "Me" area has a set of criteria for the pupil to reflect on.

Lessons are planned to incorporate areas that pupils can self reflect on.

For example, Key Stage 2 criteria for "Physical Me" are -

PM9	I can select, combine and use different skills to suit different activities. <ul style="list-style-type: none"> • Running, jumping, throwing and catching
PM10	I can develop and improve techniques and skills in different activities. <ul style="list-style-type: none"> • Run, jump, throw, catch, kick and strike

PE and Sport premium allocation for 2016/17 – expected £8,885

For the academic year 2016-17 we have again chosen to use our PE and Sport Premium Funding to employ a coach from Full Circle Sports to work alongside our teachers to further improve their skills and confidence in delivering high quality PE lessons. As part of her role she is also sourcing other sports professionals to come into school to work with the children, e.g. from local sports clubs, and looking to extend our in-school competition programme. She is also coordinating competitive sporting fixtures with other schools locally and runs a club for us one afternoon a week.
