## Primary PE and Sport Premium Funding

In 2013 the government committed to spending £450 million over three academic years - 2013/14, 2014/15 and 2015/16 - on improving the quality of sport and PE in primary schools. This funding is allocated to schools and is ring-fenced and can therefore only be spent on improving the provision of PE and sport.

### **Objectives for the Primary PE and Sport Funding:**

- To improve the quality of existing PE teaching through continuing professional development in PE for generalists, so that all primary pupils improve their health, skills and physical literacy, and have broader exposure to a range of sports
- To increase participation levels in competitive sport and healthy activity of pupils, and maintain these into adolescence
- To increase the quality of initial teacher training in PE and sport, and to promote PE specialisation in primary level workforce
- To ensure schools understand and value the benefits of high quality PE and sport, including its use as a tool for whole school improvement

### **PE and Sport premium allocation for 2013/14 – £8,895**

During the academic year 2013/14 we chose to use our PE and Sport Premium Funding to employ a sports coach from Full Circle Sports to work alongside teachers to develop their knowledge and confidence to deliver high quality PE lessons across the school. We felt that this approach would have a sustained impact beyond the three year period of funding. Our sports coach has also developed a balanced curriculum of PE and provided medium term plans for all year groups. She has organised competitions with our local partner schools and our OPEN academy trust schools, and taken on the role of PE coordinator within the school.

### **Impact:**

- Improved standards in the delivery of PE
- More confident and competent teachers
- Increased pupil participation
- A resource library of medium term plans and session plans for teachers
- A more inclusive curriculum
- Links with other curriculum areas made e.g. in dance
- Increased capacity and sustainability in the delivery of PE
- Improved provision of and participation in extra-curricular activities, including links with local clubs
- Increased participation and success of school teams in competitions with other schools, in a wide variety of sports
- Improved awareness amongst pupils of the dangers that undermine health

**PE and Sport premium allocation for 2014/15 – expected £9,100**

For the academic year 2014-15 we have again chosen to use our PE and Sport Premium Funding to employ a coach from Full Circle Sports to work alongside our teachers to further improve their skills and confidence in delivering high quality PE lessons. She is also coordinating competitive sporting fixtures with other schools locally as well as maintaining the role of PE coordinator.
