

9.02.17

Dear Parents and Carers,

As you know the first Monday back (20th February) is an Inset Day for the teachers and therefore school will be closed.

The rest of that week is Science Week. The whole school will have an exciting Science focus with lots of experiments and investigations.

On 27th February our joint KS1 and F/S topic of 'Wheels, Wings and Other Things' will begin. We will be learning about various different kinds of transport, friction, direction and shape. The children will be creating their own vehicles in small, mixed aged groups.

Kind regards

Miss Nelson and Mrs Shaw

Topic Overview - Year Two

Wheels, Wings and other things

Classroom Environment	<ul style="list-style-type: none"> ○ Transport Display 	Educational Visits/ Visitors	<ul style="list-style-type: none"> ○ Lookout Discovery Centre (Date TBC)
