Headteacher: Miss Nicola Hughes

Friday 7th April 2017

Dear Parents and Carers,

As another term draws to a close, we just want you to know how proud we are of all the children in Year 6 - they have been working SO hard this term - choosing who wears the purple hat next has been really difficult, as they are all demonstrating **Purple Learning** all the time! We hope all our families have a relaxing Easter holiday and enjoy getting out and about in the forecasted sunshine.

Topics for Next Term

Immediately after the Easter break we will be continuing with the Earth and Space element of our 'I Will Survive' topic as it has really engaged the children, and there is still lots to learn! This topic will continue until after SATs week, when it will be replaced by a Super Secret Topic linked to this year's production, which will, for the time being, remain confidential...

PE Kits and Forest School

Please ensure the children have their full P.E. kit and a water bottle in school every day as our P.E. days often change due to events such as trips and visitors. There were a number of children last term who needed to borrow P.E. kit regularly so we are hoping to minimise this this term - particularly as the children need to get into good self-organisation habits ready for Year 7! Year 6 will start attending Forest School again after May Half Term.

Easter Homework

As the children have worked so hard this term, we don't want to overload them with homework over the holidays. However, we will be sending them home with a 'Ten for Ten' maths booklet which is designed to keep their maths skills 'sharp' and should only take up 10-15 minutes of each holiday week day (weekends off!). When the children bring their completed booklets back into school after the holidays, they can exchange them for an egg shaped chocolatey treat...

SATs Week

Finally, SATS week is fast approaching (May 8th – May 11th) and it is a tradition at St. John's to serve breakfast at a special Year 6 breakfast club from 8:15 am on each day of the tests. More information will follow, soon after the Easter break.

Please do not hesitate to come and talk to us if you have any questions or concerns or send us an email via the office email account – office.2567@st-johns.oxon.sch.uk

Yours sincerely,

Ms Beckett and Mrs Brotherton
