

Morning routines:

It has been lovely to see so many of you in class helping your children to complete the early morning Grammar activities. We understand that it is not possible for everyone to do this, so please do not worry if this is difficult for you. Children can read quietly in the reading area if they find the tasks set too challenging. We encourage pupils to take their morning activity worksheet home to finish each day.

Please continue to encourage your child to be independent when they start school, putting their coat on their peg, their book bag in the box and their water bottle by the sink.

Our Circus Topic:

This term, the children will be learning about the Circus. We will be writing invitations to invite parents to our show which we will hold on the last week of term. We would like the children to post these invitations to you. Please can you send in a stamped addressed envelope (it doesn't need to be bigger than A5 size). More details about the show will follow.

The children are going to be planting during Science lessons this term. We would appreciate clean jam jars to help with this project. Please send any jars and the stamped addressed envelope into school in the first week back after the Christmas holiday. Thank you.

Reading:

Your child has been given a book from the school library to read with you. Please help your child to change their book in the Infant library. There is a box in the library for returned books. Follow the colours which are used to identify the books which are at the appropriate level to your child's reading. We do ask that you listen to your child read daily - and do also read to your child as well and ask the questions given at the Parent Teacher Interviews. Please write in the reading record. Your child will take part in whole class guided reading sessions in class.

Year 2

Miss Nelson & Mrs Shaw

Phonics:

All children in the Infants have daily phonics lessons taught through the scheme 'Letters and Sounds'. Children are grouped into different phases to learn phonics according to their phonic knowledge.

Spellings and Grammar

Please continue to support your child in practising the spellings at home. There will be a check on the spellings of the days of the week and months of the year at the end of the term as well as the termly assessment of the list of common exception words for Year 2.

Forest School:

Forest School will continue on a Wednesday this term. Please ensure that your child has suitable outdoor clothing, including wellington boots, hat, scarf and gloves for when necessary.

Maths:

Children are enjoying the 'Mastery' approach to the learning of number within Mathematics. Multiplication/Division is to be the focus this term. We are learning the 2's, 3's, 5's and 10s times table. Extra practice at home would be most welcome!

Parent helpers

We are always grateful for parent (and grandparent!) helpers in school and some of our activities will not be able to go ahead without your help. Please let us know if you could help with reading at any time. If you have any other interests or activities you could help with (e.g. if you enjoy gardening or art) please let us know! Thank you.

PE

PE will be on Mondays and Tuesdays this term. Please make sure your child has their PE kit in school to change into (rather than come into school wearing their kit). They need to have a white t-shirt and navy shorts/jogging bottoms to change into as well as trainers. Long hair is to be tied back.

Topic Overview Year 2 - Roll Up! Roll Up!

Classroom Environment	<ul style="list-style-type: none"> ✓ A circus tent in the classroom ✓ Picture of 'The Brighton Pierrots' 	Educational Visits	<ul style="list-style-type: none"> ✓ Library visit to take out books ✓ Circus Skills workshop (to be confirmed)
