## Primary PE and Sport Premium Funding Report 2016-17

In March 2013 the government announced that it was to provide additional funding of £150 million per annum for academic years 2013-14 and 2014-15 to improve provision of physical education (PE) and sport in primary schools in England.

This funding is allocated to primary school Headteachers and is ring-fenced and therefore can only be spent on improving the provision of PE and sport, but they have the freedom to choose how they do this.

In the Autumn Statement 2013, the Chancellor announced an additional year's £150m extended funding, taking the total investment to the end of the 2016 academic year.

On 6th February 2014 the Prime Minister committed to continue the funding for the Primary PE & Sport Premium until 2020.

### **Vision (revised 25 January 2015)**

All pupils leaving primary school physically literate and with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in physical activity and sport.

### **Evaluating the use of the Primary PE and Sport Premium funding**

Ofsted Inspectors will consider the impact of the Primary PE and Sport funding on pupils' lifestyles and physical wellbeing by taking account of the following factors:

- the increase in participation rates in such activities as games, dance, gymnastics, swimming and athletics
- the increase and success in competitive school sports
- how much more inclusive the physical education curriculum has become
- the growth in the range of provisional and alternative sporting activities
- the improvement in partnership work on physical education with other schools and other local partners
- links with other subjects that contribute to pupils' overall achievement and their greater social, spiritual, moral and cultural skills
- the greater awareness amongst pupils about the dangers of obesity, smoking and other such activities that undermine pupils' health.

Oxfordshire Primary Education Network

Working together to provide an outstanding education for all our children

## **PE and Sport premium allocation for 2016/17 – £8,885**

During the academic year 2016/17 we chose to use our PE and Sport Premium Funding partly to employ a sports coach from Full Circle Sports to work alongside teachers, partly to fund specialist coaches such as a Rugby Tots coach and dance teacher, and partly to fund additional after school clubs. We decided that having previously used the funding to develop teachers expertise in teaching PE which has been successful, we wanted to broaden our use of the funding to enable us to offer a wider range of PE activities, both within the curriculum and beyond the school day. We have taken part in a wide range of sporting fixtures locally and this year have appointed a PE coordinator from amongst the teaching staff to develop PE further in the school.

### **Impact:**

- Improved standards in the delivery of PE, including specialist coaches to teach children
- More confident and competent teachers
- Increased pupil participation in competitions and clubs
- A resource library of medium term plans and session plans for teachers
- A more inclusive curriculum
- Links with other curriculum areas made e.g. in dance
- Increased capacity and sustainability in the delivery of PE
- Improved provision of and participation in extra-curricular activities, including links with local clubs
- Increased participation and success of school teams in competitions with other schools, in a wide variety of sports
- Improved awareness amongst pupils of the dangers that undermine health

**PE Specialist mentoring support time with teachers, from Sports coach:**

Year group	Teacher	Hours of support
FS	Nicola Ball	0
Year 1	Michelle Rudd	0
Year 2	Samantha Nelson	6
Year 3	Georgie Harrison	7
Year 4	Mark Chandler	7
Year 5	Samantha Colbourne	7
Year 6	Jo Beckett	7
Total hours support		34

**Additional spending:**

Clubs run by Sports coach – one per term in Terms 1, 2, 3 and 4; two per term in Terms 5 and 6

Rugby Tots coaches – weekly lessons in Terms 3 and 4 for Foundation Stage, Year 1 and Year 2

Dance teacher – weekly lessons for Years 3 and 4 in Term 4

## **Growth in the range of provisional and alternative sporting activities**

Alternate activities:

<b>Sport/Activity</b>	<b>Year Groups</b>	<b>Gender</b>	<b>Number participants</b>	<b>Activity led by</b>
Tennis Taster	Year 1-6	Both	180	Wallingford Tennis Club
Marathon Kids	Years 5 and 6	Both	60	Jo Beckett/ Sam Colbourne

## **P. E and Sport premium allocation for 2017/18 – expected £17,750**

During the academic year 2017/2018, we plan to use our PE and Sport Premium Funding in a range of ways. In previous years, we used the funding to develop teachers' expertise and confidence in teaching PE which has been successful. We would now like to broaden our use of the funding to enable us to offer a wider range of PE activities, both within the curriculum and beyond the school day. It will therefore be used to employ a variety of specialist sports coaches. These include sports coaches from a local company, Full Circle Sports, who will work with different classes delivering curriculum P.E. lessons as well as after school clubs, initially starting with KS2 Hockey, KS1 Gymnastics and a Zumba Club. The funding will also be used for coaches to work alongside teachers to provide CPD opportunities, this will have a sustainable impact on teaching and learning in PE.

Rugby Tots was extremely successful last year so a proportion of the funding will be used to provide this again for Foundation Stage, Year 1 and Year 2 in the Spring Term. We have recently developed a professional relationship with a local dance teacher who will work with children from both Key Stages to choreograph, practise and perform dances linked to the curriculum and current topics.

At St John's, we have a number of gifted and talented football players who need more opportunities to practise and develop their skills so we have employed a coach from Oxford United Football Club will work with KS2 children, one lunchtime a week, to ensure these children are being given the opportunity to benefit from specialist coaching.

The children, through class discussions and the active School Council, have informed us that there is, "not enough to do at break and lunchtimes so we sometimes get bored." There is a large group of children who enjoy playing hockey, however, there is not a safe space for them to do this without impacting on the children who wish to play other games. The children have also requested that the climbing wall is fixed and improved as well as suggestions for other trails to follow during their free time. A large proportion of this year's Sports Premium Funding will be used to help develop the playground facilities for the children, in response to their comments. The P.E. co-ordinator will look into possibilities and will liaise with the children during the process. These plans will include creating an area with boundaries to play ball games and an activity trail which will help teachers plan for and ensure the children are getting their required daily exercise, including initiatives like 'Take 10'.

In the future, we plan on looking at other ways to enhance the playground and provide the children with more opportunities to exercise including outdoor gym equipment and other trails.

As in previous years, we aim to continue to increase our participation in sporting events whenever possible.
